

Homeless Services Center Needs Help!

# Be a Part of the Solution!

A recent city-wide survey listed homelessness as the number one issue in Santa Cruz, and the Homeless Services Center is at risk of losing future funding! It is urgent that we improve our community impact, otherwise we will be forced to limit our Day Services hours or eliminate programs.

The solution is simple:

## Respect our Community

Leave no trace

Pack your trash and pick up litter

Obey the law

## Respect our Neighborhood

Respect our "No-Impact Zones"

Do not panhandle on the River St. and Hwy 1 Intersection

Use crosswalks and be courteous to others

## Respect our Organization

Adhere to our Policies and Procedures

Volunteer to help improve our campus

Support our staff- they have a difficult job!

## **Respect Each Other**

Tell others about HSC's potential funding loss!

Encourage everyone to be a part of the solution

Do not ruin it for those who need our services

Please join our efforts to improve our neighborhood impact and show a 100% improvement by **October 12, 2010**. *Then join us for a Homeless Services Center Town Hall meeting to discuss the progress that we have made and the future of our services:*
